This unique tropical villa has retained all the classic features that belong to a home from this time. The house has a large living room with "en suite" the dining room. The fully equipped very spacious kitchen is equipped with all modern conveniences. The countertop and island are equipped with beautiful sustainable granite tops. Next to the living room there is a real bar where you can entertain your guests. In addition, the rooms are divided by the beautiful automatic sliding doors. Furthermore, the main house has three bedrooms and three bathrooms. At the "master bedroom" there is also a spacious walk-in closet. There are also 2 apartments attached to the house, each with a living room, bedroom, kitchenette and bathroom. In addition to the lower apartment, you also have access to a studio. For the cars, the house has a garage that offers enough space for 2 cars and a spacious laundry room. At the front of the house has a huge terrace with a view over the Schottegat and the harbor. At the rear is the rear terrace with a large swimming pool. Furthermore, the house is surrounded by a beautiful mature tropical ga
