About the Penthouse Apartments A penthouse apartment measures no less than 195m2 of living space. The apartments boast impressive views overlooking the Caribbean Sea or the rolling hills of the island. Stairs at the side of the building lead you into an entrance hall that opens into a spacious and bright living room, and beautiful and large glass sliding doors open up to a spacious roofed living porch. The living and the porch offer splendid views overlooking Blue Bay Resort, the island and in many cases the Caribbean Sea. You will enjoy the refreshing trade winds practically all year round, keeping the heat at bay. At the rear of the living you'll find a luxurious semi-open kitchen including a side by side American style fridge, microwave/oven combination and a dishwasher. The above mentioned entrance hall also leads into a full master suite, featuring a spacious bedroom, a luxurious private bathroom and walk-in closet. The second bedroom on this floor, with private bathroom as well, is also accessible from the entrance hall. From the living room, open stairs lead to a loft, where a third bedroom with private
