Listing ID: 000871389001

On top of a hill overlooking the Spanish Water as well as the Caribbean Sea, this spacious villa offers breathtaking views while offering plenty of living space inside. When entering the villa through the tropical garden, the kitchen with modern appliances can be found on the right-hand side. On the left-hand side, the cozy living room can be found, from which a spacious balcony can be entered that has a 180-degree view over the Spanish Water. From the living room, you enter the dining area that also gives access to two of the bedrooms that are located on the ground floor. These two bedrooms offer plenty of space and both have an en-suite bathroom. From the dining area, the garden located at the back side of the property can also be accessed. In the garden, there is plenty of space to build a private pool with a pool deck, surrounded by the exotic palm trees that have been planted here. In the garden, you can also find a private 'moestuin' kitchen garden as well as a shed with ample storage space that is adjacent to the two-car car garage. Furthermore, two extra storage rooms located under the
