City Villas offer three unique residence styles to ensure your family's living experience, with spacious spaces and outdoor terraces. Enjoy your home in the centre of Panama City, steps from Punta Pacífica, restaurants, banking centre, shopping centres and hospitals. The unique residential portfolio of Ocean Reef Islands was designed by the most prestigious architects in Panama, to create incomparable residential products, with characteristics and differentiating factors since they are the only residences that are directly connected to the sea, with the option – in some cases – so you can walk directly to your private dock. Ocean Reef Islands allows you to customize and design the house of your dreams to measure with areas from 150 m² with three bedrooms and more than 500 m² with 4 bedrooms. In addition, we have Ocean Villas, where you can have personalized houses facing the sea that have an approximate area of 650 m², penthouses, among others. PRIVATE MARINE - The only marina in the city center. What we love most about Ocean Reef Islands is its impressive world-class marina, with its
