Listing ID: 002572361028

Modern and luxurious house located in Panama, ideal for those with large families who want to enjoy the best comfort and quality of life. Located in Panama City in one of the most exclusive areas of Costa del Este, this house has a large land of 800 square meters, it has a hall, living room, dining room, den, large covered terrace ideal for meetings and celebrations next to the relaxing and spectacular pool in the background. There is a popular expression that people say that "the kitchen is the heart of the house..." and this one comes fully equipped where just looking at it makes you want to cook! It features granite countertops, various matching wood cabinets, a large center island, and stainless steel furniture. Following this kitchen area, we find the laundry, storage room, and servants' room and bathroom. We go to the second floor of the house and climbing the majestic staircase we find the hall, upstairs it has 4 bedrooms with their air conditioners, each with its respective bathroom and walking closet, additionally an area for an upper family den or for office use. The spacious master bedroom ha
