Imagine waking up each morning to the sun rising over the Pacific Ocean, the gentle sound of waves crashing on the shore, and a panoramic view that stretches to the horizon where the sea merges with the sky. This isn't just an apartment; it's an architectural masterpiece designed by the renowned Ignacio Mallol of Mallol & Mallol Architects, originally for his personal use. This duplex penthouse in the PH Las Olas 2 tower at the exclusive Vista Mar Resort invites you to live a life of absolute refinement, where every detail—from the triangular geometry unifying the spaces to the European finishes in red marble and bronze wood—evokes a symphony of warmth, transparency, and elegance. For a select audience of connoisseurs, this is the unique apartment in Panama that turns luxury into a daily experience, a private sanctuary just an hour from Panama City. Property Details Property Type: Apartment (Luxury duplex penthouse). Location: PH Las Olas 2 Tower, Vista Mar Resort, San Carlos, Pacific coast of Panama – one hour from the capital city, near Coronado beach. Price: \$1,600,000. Size: 998.7
