\$ 695,000.00 USD

Belize - Stann Creek District

Placencia

Listing ID: 100021303241

OWNER FINANCE AVAILABLE! Only \$300,000 down to secure, contact me for more details. This home is located on million Dollar mile in the plantation area of the Placencia Peninsula. It is one of the few properties on the beach that has its own pier which extends some 120 ft into the ocean. This is particularly beneficial if you want to take short trips to the cayes. It also allows you the opportunity to have a lift and store your boat on the seaward side. Two bedrooms and a comfortable living room upstairs with a more than double garage underneath that makes provision for a boat. The salt water swimming pool is big enough for some serious exercise or an amazing pool party. Surrounded all the way with decking. The lot is 85 x 185 feet, including high water, a seriously deep lot not often found. Beachfront property is very scarce. Book your appointment today
