Belize - Stann Creek District

Placencia

Listing ID: 100022031032

This striking, well constructed home is situated in the exclusive waterfront community of Placencia Caye, right off the coast of Placencia Village. If you are looking to easily connect with Placencia's vibrant charm, yet enjoy privacy and seclusion, you need look no further. This grand, elegant beauty is one of the finest examples of solid Belizean hardwoods used to construct an expansive four-bedroom home. Indulge in the natural beauty and warmth of hardwood surrounding you! Open multiple sliding doors and windows to capture the cool Caribbean breezes and incredible views of the surrounding lush vegetation and water. With 4 bedrooms and 2 bathrooms on different levels, you will have enough space and privacy for family and guests. Enter through the boat garage and to the second level with two guest bedrooms. Continue to the third-level Great Room with magnificent space and soaring ceiling, and the master bedroom tucked behind it. One more level takes you to the 4th guest bedroom/office and a rooftop lookout for 360-degree views of Placencia's incredible sea and lagoon. Surrounded by high-end resorts, The Heron
