British Virgin Islands - Virgin Gorda

Baths

Listing ID: 20001248186

European architecture meets the Caribbean in this well designed 4200 sq ft villa on the beautiful island of Virgin Gorda. Cornucopia sits on just under 1 acre of land in a very private and well desired beach community in Little Trunk Bay. The property sits 5 minutes walk to the beach. As you drive or walk unto the property you are greeted by mature palm trees and carefully curated garden landscapes. As you enter the villa you will notice right away the unobstructed views to the beach and the community of beautiful homes that surround cornucopia. The property is well designed and furnished. The modern open concept design allows for great sight lines when entertaining . The family great room is only one of many gathering locations on property. A large and strong deck offers lots of space for outside dining and sitting areas. The fire pit in the front yard can sit over 7 adults and the tree house in the backyard serves well as an escape for any little ones that may one day inherit this property. The villa works well for adults only and for large families. All ( suites) bedrooms have an en suite bathroom and are name
