Costa Rica - Puntarenas

Tres Rios

Listing ID: 40014898070

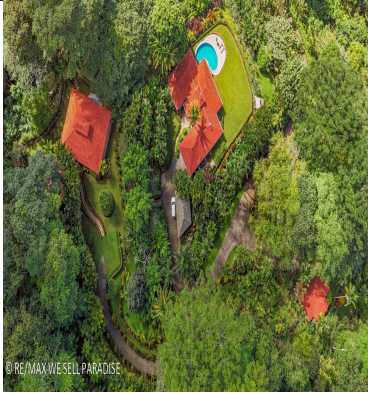

Ocean, jungle & mountain views on a meticulously landscaped 3-home (+workshop) family compound high above the nature-immersed Tres Rios, with the total privacy & the security of a gated community! This elevated lot overlooking tropical rainforests, coastal mountains and the Pacific Ocean is touched by beauty in every corner, nook and cranny. The expansive vistas, lush jungles, landscaped gardens, vibrant flowerbeds, stone pathways, and homes & swimming pools seamlessly blend to create a synergetic experience of wilderness, nature, and modern living. The fussy attention to every square inch of this wonderful property creates a vibe of tropical luxury – and for those who know, it is a vibe like no other! The 10.9-acre lot holds three 2-bedroom homes (each with its own swimming pool), a large workshop, manicured gardens, sprawling orchards, four plantels, and two carports. While the nature immersion is total, the services and amenities of Tres Rios, Ojochal and nearby settlements are mere MINUTES away! But when you are here, modern civilization might as well not exist &ndas
