Salinja

Listing ID: 000871389318

The home offers four comfortable bedrooms and three bathrooms, including a spacious primary suite with its own ensuite bathroom. The generous living area flows seamlessly into the open kitchen and adjoining dining room, creating the perfect setting for family life and entertaining guests. Step outside onto the expansive covered veranda, a wonderful space to relax, host gatherings, or enjoy a refreshing drink at the bar. Practicality meets potential with two separate entrances, each offering its own parking facilities. One side features a large driveway with ample parking for multiple vehicles, while the second entrance provides additional parking and easy access to the property. A spacious multifunctional area currently serves as a workshop but can easily be converted back into a garage. For added convenience, both 110V and 220V electricity are available. The tropical garden is maintained through an automated drip irrigation system supplied by a deep well, ensuring the grounds remain green and vibrant year-round. One of the property's greatest advantages is its unrestricted zoning. Whether you are looking for a
