Layout & Living Areas Upon entering, the high ceilings and light-colored flooring immediately create a spacious and open atmosphere. Charming wooden shutters and French doors opening onto the terrace provide natural ventilation and allow refreshing Caribbean breezes to flow through the home. The upper level features a generous living area with a fully equipped kitchen, a guest toilet, and two bedrooms. The master bedroom includes an en-suite bathroom and direct access to the terrace and swimming pool. The second bedroom is currently used as a home office and features an en-suite walk-in dressing area. The lower level offers three additional bedrooms, two separate bathrooms, and a laundry room. Wooden shutters on this level also contribute to a comfortable indoor climate.

Bedrooms & Bathrooms The villa offers a total of five bedrooms and four bathrooms. The master bedroom on the upper floor is a peaceful retreat with direct access to the terrace and pool area. All bedrooms are tastefully finished and benefit from natural ventilation. The combination of en-suite bathrooms, a guest toilet, and a spacious laundry
