Panama - Chiriquí

Volcan

Listing ID: 002762479150

29 hectares of nature, privacy, and hospitality potential in Volcán Nestled in the cool highlands of Volcán — widely regarded as one of Panama's most desirable places to live thanks to its fresh climate, tranquility, and growing residential and tourism demand — this property stands among the region's most exclusive and irreplaceable estates. Spanning 29 hectares (71.7 acres), the landholding offers an exceptionally rare combination of Chiriquí Viejo River frontage, seven internal lakes, mature forest, multiple residences, and operational infrastructure, all within one continuous tract. A true mountain estate, equally suited for private enjoyment or high-end hospitality and development.

Main Lodge Residence At the heart of the property lies an elegant hacienda-style mountain lodge designed for comfort and entertaining: 831 m² (8,945 ft²) enclosed area 338 m² (3,638 ft²) terraces & outdoor living 10 en-suite bedrooms Double-height great room with stone fireplace Spacious kitchen, pantry & two dining areas M
