Casa Cielo brings the classic elements of modern architecture, like enormous windows and an open-concept living, to a jungle setting that maximizes the beauty of both. This well-appointed, contemporary home plus 4 additional self-contained units creates a private compound in the heart of Manuel Antonio that works beautifully as a family home, a time-share, or a vacation rental as it can sleep up to 14 in style. The main house is light and airy with large floor-to-ceiling windows, open concept living/dining/full-service kitchen area, raw volcanic stone tile on the floors, and a loft mezzanine large enough for a TV room and a pull-out queen sofa bed. The main floor features a sunken living room and sliding glass doors to the terrace for classic Costa Rican indoor/outdoor living. Cathedral ceilings in the living area show off the loft above. Two master bedrooms with king-size beds, enormous closets handmade from exotic woods, and en suite bathrooms featuring volcanic stone tile throughout complete the layout of the main house. Step outside the upper master bedroom and descend the circular staircase to the patio b
